**PETITION TO WITHDRAW HOLDING OF ABANDONMENT  
UNDER 37 CFR §1.181(a)**

Sir:

In connection with the above-referenced application, a Notice of Abandonment was mailed on June 28, 2005 to indicate that this application has been abandoned in view of (a) Applicant's failure to file a proper reply to the final Office Action mailed May 18, 2004, (b) Applicant's failure to file a proper reply to a Notice of Improper Request for Continued Examination (RCE) mailed January 14, 2005, and (c) Applicant's consent for abandonment acquired by Examiner on June 24, 2005.

First, it is submitted that Applicant was not able to respond a Notice of Improper RCE because Applicant has never received such Notice. This is further evidenced by the fact that the PTO's Transaction History shows no record of mailing a Notice of Improper RCE to Applicant regarding this application. A copy of the Transaction History is enclosed in the Appendix hereafter.

Pursuant to MPEP 706.07(h), a Notice of Improper RCE must be prepared by the PTO and mailed to the Applicant, in order to provide an applicant with an opportunity to file a proper RCE. Since no Notice of Improper RCE has been mailed to Applicant, it is improper to determine that Applicant has abandoned this application.

Second, it is submitted that Applicant has never consented to abandoning this application. The Examiner asserted that he has acquired Applicant's consent on June 24, 2005. However, Applicant has no record of such consent. This is further evidenced by the fact that PTO has not mailed out any Interview Record regarding a teleconference discussing the abandonment of this application.

For these reasons, Applicant respectfully contends that this application is not in fact abandoned. Accordingly, withdrawal of the holding of abandonment is respectfully petitioned. Prompt and favorable consideration of this Petition is respectfully requested.

Respectfully Submitted,

Hae-Chan Park
